

Efficiency Within Easy Reach

The FAMA round shelf is the ideal complement to the market-leading FAMA pharmacy drawer.

For medicine packages which are frequently dispensed, the FAMA round shelf provides direct access with short distances. Using a combination of the FAMA full-height bays (for slow movers) and the FAMA round shelf (for fast movers) saves both time and space with a comparable investment volume since, overall, fewer drawer bays are required and access to the fast moving packages is much quicker.

Advantages:

- Direct access from the point of sale to fast moving medication
- Very good visibility ensures that packages are quickly located
- Product filling and removal can take place simultaneously from both sides
- Simple and easy refilling thanks to patented magnetic mechanism
- Observance of the FIFO principle* thanks to filling from the back

* FIFO = first in - first out

Simple operation through rotatable shelves

Quick removal of packages

Easy refilling thanks to magnetic storage segments

Observance of the FIFO principle thanks to filling from the back

Round shelf 1200

Diameter:	1200 mm (storage segments 1312 mm)
Height:	2120 mm
Footprint (base):	1.4 m ²

Capacity:	Up to 400 articles (channels) with up to 3,400 packages
Number of shelves:	10
Depth of shelves:	370 mm

Round shelf 1800

Diameter:	1800 mm (storage segments 1922 mm)
Height:	2270 mm
Footprint (base):	2.9 m ²
Storage area:	13 m ²
Capacity:	Up to 700 articles (channels) with up to 8,000 packages
Number of shelves:	11
Depth of shelves:	500 mm

Willach Pharmacy Solutions.

The right prescription for every pharmacy.

Willach is the market leader in Europe with regard to professional storage and dispensing equipment for medicines. With FAMA and CONSIS, Willach can provide system solutions for the conventional and fully automated storage of medicine packages: for any type of pharmacy, for any size of pharmacy. Willach undertakes all product development and production in Germany to assure the highest quality standards.

consis

robotic dispensers

Consis robotic dispensers offer a tailor-made and highly efficient automation concept for your pharmacy. Whether you want to save time or gain space: Consis has the right solution for every situation.

FAMA

drawer systems

Fama large-capacity and underbench drawers provide fast access to packages, with good visibility, excellent space utilisation and ergonomically perfect operation. No other system offers you drawers which can store more packages in the same space.

FAMA

shelving systems

Fama worktop and fast mover shelves were developed as a modular system to achieve the greatest possible flexibility. They can be precisely adapted to your individual requirements. Fama round shelves store fast moving items to provide direct access and can be flexibly configured.
